What's the next best thing to hearing Bill Leonard live?

Bill Leonard speaks to CBF-LA

Hear him here. We were challenged and inspired at the Stagg-Tolbert Biblical Forum, and by popular demand, we have the full recordings of his presentation plus questions and answers at our website. Experience the Forum for the first time or hear it again here.

A Haven of Love that Honors Christ.

Horsing around at the Mission House

Our Lake Providence Mission House is shaping up to be just that. [Take the tour](#). We want you to see it

virtually [here](#), then schedule a time to visit. It is a place of outreach and a place to anchor our ministry to be the presence of Christ in the midst of great poverty

Grace around the meal table

We have launched the Hope Fund 2012 with a goal of \$45,000 to undergird this kingdom work into 2013. Place yourself and your church in the middle of this ministry with prayer, your heart, your presence and your gifts. You can give to the Hope Fund [here](#).

Happy Birthday Church for the Highlands

Birthday Quilt at Church for the Highlands

Our new start, [Church for the Highlands](#) just celebrated its first birthday. A day of thanksgiving and testimony, with a high attendance of 94, there was much to be grateful for. Mostly we shared the joy of a spiritual home, a place to serve and be served. We remain an active, continually "in the community" church seeking to bless the Highland neighborhood of Shreveport.

In my 53 years, I have never had such fun or worked so hard. We have made great friends and forged great partnerships in the community. It is a plum delight to know you are where you should be, active in Kingdom work. Never before have I so anticipated coming together each week as a community to "eat, pray and love."

Thank-you CBF-LA for your prayers and support of Church for the Highlands. Kyle
