***It Has Arrived***

The "Tapestry of our Fellowship" hangs on the wall of the mission house. It was painted at our Spring Conference in Bunkie by Karin Tillstrom and Allison McCloud, in response to the beautiful unfolding of our faith stories. Read about our Spring Conference [here](#).

## Punch Out Our Punch List

We are making excellent progress on our Mission House remodeling and updating for mission groups and mission events. Our rewiring is 75% complete. Help us get everything finished this summer. Get a group together or bring yourself over for a day or few days. The mission house is a lovely, comfortable place to stay. Find and adopt something you can do on our punch list [here](#).

Please Help Us Make All This Great Work Possible

We are making a difference in Lake Providence. Chris Thompson, national Together for Hope Coordinator recently visited Stephanie in Lake Providence to view her work. After attending a local planning meeting, he commented to me how impressed he was that local leaders and community members now look to Stephanie as leader and one who helps make things happen in the community.

We must all do our part to sustain our presence there. I have challenged all staff, officers, and council members to give to the fund. I believe we can get a 100% giving rate from our leadership and there are many more of you who care deeply about this mission. Our goal is well within our reach if everyone does their part. Give what you are able to give and God will bless. Give to the "Hope Fund" [here](#).

Together for Hope Hot Sauce. We are not saying it will cure warts, but we're not saying it won't either.

Another way to grow the Hope Fund. Buy/Sell some Together for Hope Hot Sauce,

bottled in Lake Providence by Panola Pepper Company, a local family owned business to help local farm workers have year round employment. These are Christian folks who make excellent partners for us. Great for mission projects or as gifts, one bottle for \$6, 2 for \$10, or a case of 12 for \$60. Contact Stephanie at [318-418-4075](tel:318-418-4075).

## Other News:
